1989 ARTICLE INDEX

Compiled by
CASSIE KUPSTAS
MBA LIBRARIAN

The index to all articles appearing in the 1989 issues of *Mortgage Banking* (volume 44, #4 through volume 50, #3) is in two parts: Subject and Author/Title. The Author/Title section will appeared in the February issue of *Mortgage Banking*.

In the Subject section, all the articles are listed alphabetically according to title under an appropriate subject; some articles may appear under more than one subject. To assist your searching strategy, the subject headings are listed below.

It is suggested that you refer to this list first to determine under which heading your topic would be and then consult that part of the subject index.

Alternative Mortgage Instruments
Appraisals
Case Studies
Construction Finance
Defaults and Foreclosures
Economic Trends and Forecasts
Employee Management and Training
Environmental Issues
FHA
Financial Institutions
Foreign Investors and Markets
GNMA
Government Legislation & Regulation
Hedging
Homeownership
HUD
Income Property
Industry Trends
Internal Management
Interviews
Loan Origination and Production
Marketing
Miscellaneous
Mortgage-Backed Securities
Mortgage Insurance
Multifamily Housing
Operations and Automation
Real Estate Investment
Secondary Mortgage Market
Servicing

SUBJECT INDEX

Alternative Mortgage Instruments
"Life Was Simpler Then," by John W. Ballantine, Jr., June, p. 56.

Appraisals
"Appraising the Income Property Appraisal," by Robert F. Royce, July, p. 49.
